EdAI Berkeley Fall Summit

The two-day agenda

Anna Head Alumnae Hall, University of California, Berkeley

8:30 AM – 7 PM each day | Breakfast, lunch and dinner provided

---

SATURDAY 31 OCTOBER

Discover and build

Meet the builders

Welcome and starting survey, introductions, deeper conversations and BoardRoom.

Build with purpose

Reflect on amanah, your strengths and Islamic principles for building responsibly.

Find a real problem

Practice peer interviews, interview mentors, compare users and buyers, and map the current process.

Design the solution

Explore approaches, choose a useful first task, agree team roles and write the build plan.

Build and check

Create a first version step by step. End with a working link or a named blocker and a clear next action.

SUNDAY 1 NOVEMBER

Test and present

Recommit and test

Fix the main blocker and run three independent tests with people new to the product.

Prepare the story

Explain the person, problem and value. Work through customer math and record a short demo.

Reach and improve

Contact five warm and five cold prospects. Learn, improve and retest, then contact ten new relevant people.

Show the evidence

Prepare two slides and a live demo. Qualifier feedback leads into the team showcase, final corrections and finalist presentations.

Choose the next step

Make a seven-day commitment and complete the ending survey. Keep the evidence for your next step.

TIMING AND ARRIVAL

Both days run from 8:30 AM to 7 PM. This is the program sequence; the detailed final agenda will be sent out. Facilitators will announce session transitions and breaks.

Organized by EdAI. UC Berkeley is the event location and does not sponsor or endorse the Summit.
